DECISION AWARDING ATTORNEYS' FEES AND COSTS¹

On October 16, 2015, the parties filed a stipulation of fact in which they agreed on an appropriate amount for attorneys' fees and costs in this case.

In accordance with General Order #9, petitioner asserts that he did not incur any costs in pursuit of his petition. Petitioner submitted his request for attorneys' fees and costs to respondent. During informal discussions, respondent raised objections to certain aspects of petitioner's fees and costs petition. Petitioner now requests reimbursement for attorneys' fees and costs in the amount of \$5,000.00. Respondent does not object to this amount. The undersigned finds this amount to be reasonable. Accordingly, the court awards **\$5,000.00**,

STIPULATION OF FACT CONCERNING
ATTORNEYS' FEES AND COSTS

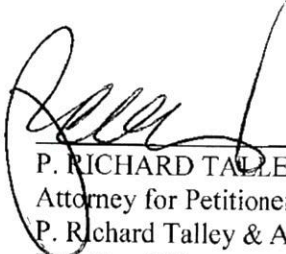

It is hereby stipulated, by and between the parties, the following factual matters:

1. P. Richard Talley, Esquire, is the attorney of record for petitioner in this matter.
2. A decision awarding compensation to petitioner based on the parties' stipulation was entered on October 14, 2015.
3. Petitioner informally submitted his application for attorneys' fees and costs ("Application") related to this matter to respondent to review.
4. In informal discussions, respondent raised objections to certain items in petitioner's fees and costs petition. Petitioner now requests reimbursement for attorneys' fees and costs in the amount of \$5,000.00, payable jointly to petitioner and petitioner's attorney, P. Richard Talley, for all attorneys' fees and costs.
5. In compliance with General Order #9, petitioner's counsel represents that petitioner did not incur any out-of-pocket expenses in the proceedings on her petition.
6. Petitioner understands that the payment totaling \$5,000.00 represents all attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e). Counsel for respondent has informed counsel for petitioner that respondent does not oppose petitioner's request for \$5,000.00 for all attorneys' fees and costs.
7. Nothing in this Stipulation, including the amount set forth in paragraph 6 should be construed as an admission, concession, or waiver by either party as to any of the matters raised by petitioner's request for attorneys' fees and costs, including but not limited to the hourly rates requested, the number of hours requested, and other litigation-related costs.
